Mr. Steve Renninger

Office B-2

Cincinnati, OH 45268

Dear Mr. Renninger:

On December 30, 1996 I received a phone call from Mr. Joe Vires, who lives across from the Dayton Electroplate site. He indicated that Dayton Electroplate had been broken in to. He indicated that currently, there is a hole in the fence and the back door is open. He indicated that two men were seen entering the building and removing equipment. I have contacted the office of Dayton Electroplate's trustee to make them aware of the situation.

If you have any further questions please contact me at (937) 285-6080.

Sincerely,

Elisabeth Rothschild
